

ARE YOU A PROFESSIONAL MUSICIAN?

You may be eligible to participate in a new study to assess the way pitch is processed by the brain.

Requirements:

- Age 18 - 65.
- Have no history of neurological conditions.
- Have normal hearing.
- Are pursuing or have completed formal (classical or jazz) training at a bachelor's level (or equivalent) in music performance.
- At least 5 hours/week of practice and/or performance on your instrument.
- Started practice with performance instrument before age 10.
- Practice violin, piano, voice, or clarinet as primary instrument.

Compensation:

- \$12/hour.
- An additional sum of up to \$10 will be provided for transportation costs.
